Q1: Tell me all about you and your brand/project:

I am preparing an 8-part preaching series for my church district (Lincoln Northside and Holland) focusing on the messages to the 7 churches in Revelation 2 and 3, with an intro from Revelation 1. The series title is "Fully Known," with the idea that the One who calls each church knows their past, knows their present, and knows the future He has in store for them.

Q2: What 5 words describes your brand accurately?

1. Revival
2. Hope
3. Transformation
4. Reset
5. Unveiling.

Q3: Who is your target audience?

The membership and extended community of the Lincoln Northside and Holland churches.

Q4: Give me FULL details about what for you want out of this project:

Please provide details of your project direction, ideas and/or goals. The more specific the better so that I can be on the same page as you! Include images where possible.

I'd like to have promotional assets for digital and print applications in preparation for my upcoming preaching series.
